Our Sincere Thanks

The Crusader wishes to take this occasion to express, on behalf of the students and staff, our deep appreciation to the Parent Organizations in the school for their untiring efforts in contributing to the enhancement of the school program.

B. V. M. Sodality

The Sodality of the Blessed Virgin Mary was founded at Assumption in the year 1874 and has grown steadily during the intervening years. The names of all Sodalists since the founding of the organization have been preserved in a beautiful heart-shaped container which rests at the foot of the statue of Our Lady in the College chapel. Like all Sodalities, the purpose of the organization is to promote devotion to the Mother of God, and our Sodalists strive to achieve this goal through the media of prayer, good example and apostolic activities.

The members of the Sodality meet in the College chapel every Saturday under the direction of the Moderator, Father Girard. After an opening hymn and the reading of the minutes of the previous meeting, acts of love and praise are offered to Our Lady, particularly through the recitation of the Little Office of the Blessed Virgin. This is followed by a spiritual conference by the Director.

Apart from the weekly meetings, the Feasts of the Immaculate Conception and the Purification are observed with special solemnity and provide the occasions for the reception of new members. On these two Feasts during the past year the Sodality was expanded by the enrollment of seventy-five new members.

The officers of the Sodality during the current year were as follows: Edmund Stinn, (Prefect), Jude Fusco, (Ass't. Prefect), Dan McKeon, (Councilor), Leo Burns, (Secretary).

Varsity Football

The Varsity Football Team did not fully realise its pre-season hopes, but it did enjoy greater success than its 1950 predecessor. This year's Raiders were still a bit short on size and experience, but they gave classy performances in their five victories in an eight game schedule. Under the reins of their new coach, Father Armstrong, the Raiders opened the season with an impressive win over Lowe Vocational. But in their second engagement against Patterson the lack of depth and experience was clearly evident. Undaunted by this defeat, the squad returned to its practice sessions with re-doubled hustle and determination. Motivated by a relentless driving spirit the team went on to win the remaining four games of league competition, finished in second place, and qualified to meet Kennedy Collegiate in the semi-finals. The Raiders dropped a one point decision in this encounter and thereby relinquished further contention for the W.S.S.A. title. The third loss of the season was suffered at the hands of a hard-running squad from St. Michael's, Toronto.

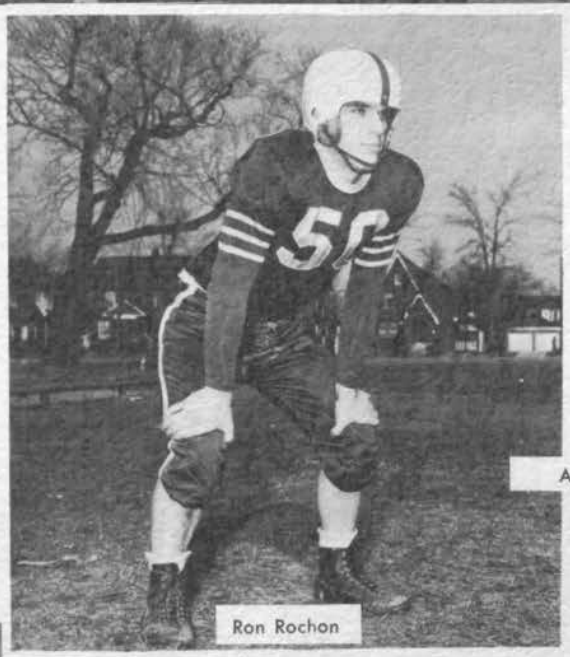

As to individual player achievement much credit must necessarily go to the bull-doser accomplishments of Ron Rochon and the brilliant line-play of Tony Bubrowski, both of whom made the All-city slate. To these should be added the pass-snatching talents of Ed Raedle, the devastating defensive play of Center "Cowboy" Salkowski, and the clever running exploits of Turner, Cote and Kefgen. But, undoubtedly the greatest single factor which contributed to the team's success was the unrelenting "Spirit of '51" which inspired and co-ordinated the efforts of the entire team.

"Red" Spillard, captain of the Champion Redskins, reminded us in his speech at the Father and Son banquet that the purpose of the intramural leagues was not only to determine champions, but especially to promote character, school-spirit and sportsmanship among the student body. How could those after-school hours be spent more profitably, particularly for the boarders? Certainly this year's Senior league provided all these facilities together with a bag-full of exciting moments. Remember the Browns-Redskins games? . . . Kiser and Paule pounding out long gains only to be frustrated by the deadly tackling of the Mighty Mite, Clair Nicholson . . . and then the mere five-point margin that spelled final victory and the championship for Mr. Mohan's Redskins?

Although the Yanks responded readily to the directives of their coach, Mr. Cavanaugh, and made a battle out of every game they failed to tame either of their opponents. Perhaps that's the reason for their camera-shyness when the teams were photographed for the Crusader.

Junior

Thrills, chills and spills featured the many games played in the Junior League; thrills, as a lowly underdog defeated a mighty favourite to snatch the final game and the title crests; chills, as several games were played in driving snow; spills, as tacklers and ball-carriers hit the dirt.

The Lions waltzed through the regular schedule with an unblemished record. With Mr. Murray pulling the strings they disposed of each opponent in turn. Meanwhile an unusually bitter fight was being waged as the remaining three teams jostled for play-off positions, with the result that they ended up tied all around for second place. The commissioners ruled a play-off series involving all four teams. In the semi-final round the Lions whipped the Bears 7-0, and the Eagles were downed by the Cardinals 11-0.

The final game of the season brought the mighty unconquered Lions up against the lowly Cardinals and produced the unexpected. In a thrill-packed contest Clayt Tourangeau kicked the only point of the game to bring to his fellow Cardinals the laurels of victory. But he wasn't the only Cardinal hero. Bob Peters was the defensive giant who, three times running, blocked Lion kicks inside the fifteen-yard line. It was a cruel end to a glorious season for the smoothly operating Lion club.

Like music to Mr. Heath's ears was the sound of leather on leather as the ball was booted heavenward. It climbed and climbed, paused in a moment of indecision, and then dropped swiftly beyond the enemy goal-line. The receiving player was dropped in his tracks by a wild-eyed Notre Dame tackler for the precious point that was to spell victory and the championship for the Irish. It was delicious revenge for Mr. Heath who had lost the Bantam championship in the previous two years by the same skimpy margin.

Throughout the regular schedule Mr. Rohlman's Georgetown squad completely dominated the picture with six easy victories posted against one defeat. With men like Theriault, Paniccia, Husak and Parisot to carrying the mail they had the title in their pocket. But Notre Dame had other ideas. By diligent practice they sharpened their timing and built a steady versatile backfield machine out of Ohlman, Jobin, Antaya and Gray, a machine that proved its superiority when the chips were down.

Varsity Basketball

This year's Varsity quintet, coached by Father Armstrong, enjoyed one of its best seasons in the W.S.S.A. circuit for some years as it won 9 and lost 3 in the regular season play. The Raiders finished the regular schedule in a three-way tie with Patterson and Walkerville for first place. In the play-offs Assumption eliminated Kennedy Clippers, but were nosed out of the city title by Patterson 55-48 in the final frame. However, by virtue of their win over Kennedy the Raiders won the right to participate with Patterson in the W.O.S.S.A play-offs at London.

The team had one deficit this year and that was in the height department, a deficit which is difficult to overcome in basketball. Nevertheless, the players did make an incredible effort to surpass the opposition in every other department. Their defensive patterns provided the spectators with bushels of thrills. Few fans will ever forget the night when the Raiders tied up Walkerville in one of the most spectacular defensive displays that could be seen anywhere. The Tartans, with all their advantage in height, managed to score 15 points, 9 of which were on foul shots. In these defensive tactics Hool was the sharpest thorn in the side of the enemy as he repeatedly stole the ball, interceoted passes, and, in general, managed always to be just in the wrong place for the visitors to execute their plans. In this program he was ably supported by Tom Winkel and Ed Raedle. On the offensive side of the ledger the names of Zalba, Bertoia and Hool are prominent, with the top scoring honours being shares by the co-captains Zalba and Bertoia. Zalba had a better than 10-point per game average for the season, and was the only Raider to be voted to the first team on the all-city squad; Bertoia and Hool both made the second team.

This year's edition of the Junior Varsity Basketball team began the season as a very green outfit, but before the curtain was rung down it earned the respect of fans and opposition alike. The boys had never played together as a team before, and many of them had no previous organized team experience. In addition, the coaches knew nothing about the various capabilities or weaknesses of the players. Consequently, most of the regular league play was a period of experimentation and adjustment.

Despite these handicaps the squad fought its way through to a berth in the league play-offs. This feat reflects highly on the spirit and temper of the players as well as the proficient work of the coaches, Father Lewis and Mr. Farrell.

Patterson Juniors were a skilled and much more experienced team; yet it was only in the late stages of the final play-off game that it was able to assert its mastery. We have no wish to discredit the Patterson Champs, for they were fully deserving to retain possession of the city title; rather we wish also to credit the Junior Raiders for the unbelievable progress which they made during the season. Nice going, Juniors! We are very proud of you.

Father Cullen's puck-chasers reaped a handsome harvest again this year, in spite of losses of such veterans as Bill Lucier, Jerry Carriveau, and Tel Mascarin. The team weathered the local inter-school schedule of ten games without a loss, sharing one tie score with Walkerville. Continuing their record in the semi-finals against Patterson and the finals against Lowe Vocational, they eliminated both contenders in two straight games each, thereby retaining ownership of the Windsor Secondary School title. In the semi-finals of the Western Ontario circuit they had the tables reversed on them as they bowed out to a stronger, more experienced club from Beal Tech, London. Although the latter showed their obvious superiority by 3-1 and 8-3 victories, the Raiders had nothing to regret, inasmuch as they put forth their usual sparkling effort, and though outscored, were never outfought. All in all, they were a well-groomed, well-organized unit which brought great credit to the school and themselves.

A brief glance at the statistics not only reveals the prowess of the team as a whole, but also singles out the stellar performances of a few individual players. For example, in the season of 17 games the records show 14 wins, 1 tie and 2 defeats, with 86 goals scored by the Raiders and 25 by the opponents. This 1.4 goal per game average speaks well for the efforts of goalie Pete Fillman, while the top scorer, Elio Marcon, accounted for 41 points of the team's scoring total. Naturally these two players were able to achieve their records only in virtue of the co-operation of such other standouts as Eddie Carriveau, Joe Maisonville, John Duffy, Pete Huggard, Billy Latcham, George Carriveau, "Boobie" Gatti, etc., etc., etc.

A word of praise is certainly in order for Fathers Cullen and Foley who devoted so much time to the development of this fine aggregation. The wealth of Freshman and Sophomore material that was developed this year gives great promise of many laurels in the next few years.

take a "fix" on your future

These are important years—days of decision when you will determine your future.

Today in a world troubled by confusion and shifting values, what sign stands out as a guide on which you can take a bearing now for the future?

Look at the Canada about you—here is a nation that in the past ten years has added nearly the equivalent of our three Prairie provinces to its people—yet even *more* are needed to unlock the treasure trove of Canada's natural wealth.

There's a big opportunity in Canada for young men and women of vision and ability. You can invest your future in Canada—safely and profitably too!
